- 2) EPsプロジェクトの進捗と課題(鈴木リーダ)
- 3) その他

T/T Domain PoW2021~2022

他

Requests for inclusion in the 2021-2022 PoW

Domain	Project topic	Strategy link	SDG targets	Notes
T + T	1. Development of Business Standards for Sustainable Tourism (ST)	C	Goal 8.9	<p>The technical artefacts developed already for SLH Projects could be referenced to create this artefacts..</p> <p>T/T Domain RDM for this project could be applied to fulfill this project. The creation of the said RDM should better be guided when to do.</p> <p>When to apply the new technologies to T/T business, T/T Domain RDM could function appropriately.</p>
	2. A green paper project would be proposed to report the efforts of each member country and some lessons learned for the future post COVID-19 issue, and later migrate into ST	C	Goal 8,9	
	3. Development of Experience Programs Technical Artefacts (EPs)	A, B, C	Goal 8.9	
	4. A new project will be proposed to develop Destination Travel Information by taking some part of the deliverables of EPs after its completion.	E, B, C	Goal 8.9	
	5. A new project will be proposed to accommodate the concept of ST to the deliverables of EPs	E, C, D	Goal 8.9	
	6. Maintenance of Small scaled Lodging House Information	D	Goal 8.9	
	7. Such advanced technologies as Blockchain, IoT, API, AI, data security (personal data),RDM etc. will be studied to position them in the future strategy of the domain	J		
	8.Studying Itinerary for tours to decide whether to start a new project or not
