Code<br>1 Diving<br>2 Driving an automobile<br>3 Mountain climbing<br>4 Wild forest/field watching<br>5 language |
| Comment 3   | <b>Guest Provided_ Equipment Details</b>   | HJ                   | Ambiguous about who to take                     | Guest <b>Carrying_ Equipment</b> Details<br><br>Other suggested option: Guest <b>Owned_ Equipment</b> . Details | <b>Equipment could be changed to create a new CC. This is studied further.</b>  |
| Comment 4   | EPs_ <b>Digital Payment</b> . Details      | HJ                   | Better to say Payment Means rather than Payment | EPs_ <b>Digital Payment Means</b> . Details   | As the Details come under EPs_ Trade Settlement_ Payment Means. Details, the naming will be further studied.  |
| Comment 5   | To include <b>CC Candidate List</b> in BRS | IW                   | To talk with Sue Probert                        | Will be talked with her later   |   |

|           |   |    |  |  |

| Comment 6 | Difference between <b>Experience program and Conventional Tours</b>   | TI | To understand better                       | This was talked and decided. <b>View the relevant Green Paper.</b>   |
| Comment 7 | Use Case of <b>Longevity Health Dock</b> could be included in the relevant BRS  | IW | Might help understand EPs easier           | <b>Not to include this in BRS</b> as the original one is already in the Green Paper and UN document could advertise no private company.. |
| Comment 8 | In the discussion on <b>Future trade of EPs</b> , there might be a chance for consumers to enjoy virtual EPs, especially after COVID-19 | HJ | New environment to come after the pandemic | The amended document will include this comment.  |
