Note:
JTREC TEST HOTEL is a virtual hotel created for the pilot project.

ACCOMMODATION IN DETAIL

You may view SLH Facility information.

The screenshot shows a web browser window with the URL `https://slhs.slh-pilotproject.jp/accommodations/information_detail/2`. The page title is "Accommodation Detail" and the "Information Code" is "jrec001". Below the title are two buttons: "Back" and "Product List". A horizontal menu lists various XML tags: "Lodging-houseOrganization", "LodgingHouseFeature", "LodgingHouseBuilding", "GuestRoomFacility", "BathingFacility", "RestaurantFacility", "MeetingRoomFacility", "BusinessSupportRoomFacility", "RecreationFacility", "SightseeingFacility", "ParkingFacility", "SupplementalService", "LodgingHouseRoute", and "LodgingHouseContact". Two callout boxes provide instructions: one points to the "Back" button, and another points to the "Lodging-houseOrganization" tag. Below the menu, two tables display XML data for "Lodging-houseOrganization" and "Lodging-houseFeature".

Back : Return to the prior screen.
Product List: You may view the Product List.

Once you click a XML tag, you may jump to the specified information.

Click a button and you may view the selected SLH Product in detail.

PRODUCT DETAIL

You may view detail of your selected product.

The screenshot shows a web browser window with the URL https://slhs.slh-pilotproject.jp/accommodations/product_detail/BB011. The page title is 'Product Detail'. Below the title, there are two input fields: 'Information Code *' with the value 'Jtrec001' and 'Product Code *' with the value 'BB011'. Below these fields are two buttons: 'Refer Availability' and 'Back'. A callout box points to the 'Refer Availability' button with the text: 'Refer Availability : You may jump to Availability of the product.' and 'Back : You may return to the prior screen.' Below the buttons, there is a horizontal list of tags: 'LodgingHouseOrganization', 'LodgingHouseTravelProduct', 'ApplicableCustomerClass', 'SpecifiedReservationRestriction', 'SpecifiedIntermediarySale', 'DefinedTravelProductFeature', 'ApplicableTravelProductPeriod', 'IncludedLodgingHouseTravelProductComponent', 'ApplicableBasicPrice', and 'LodgingHouseContact'. A callout box points to the 'LodgingHouseOrganization' tag with the text: 'You may jump to the specified fragment of data, when you click a tag.' Below the tags, there are two data tables. The first table is titled 'LodgingHouseOrganization' and has the following data:

ID	Jtrec001
ChainName	
BrandName	
Name	JTREC TEST HOTEL
BusinessTypeCode	1
AssociationMembershipName	
AllianceName	
OwnerName	
Description	

The second table is titled 'LodgingHouseTravelProduct' and has the following data:

TypeCode	1
CategoryCode	101
ID	BB011
BrandName	R&R

REFER AVAILABILITY

You may view Availability of a product.

The screenshot shows a web browser window with the URL <https://slhs.slh-pilotproject.jp/accommodations/availability/jrec001/BB011>. The page title is "Refer Availability". The form contains the following fields:

- Information Code: jrec001
- Product Code: BB011
- Start Date: 2014-03-16
- End Date: 2014-03-16
- Days: Input stay days instead of end date
- Rooms *: Input number of rooms
- Adult (18-100): Input number of persons to stay
- Total Persons *: 0

At the bottom of the form are two buttons: "Refer" (highlighted in blue) and "Cancel".

Callout boxes provide the following instructions:

- Specify your Start and End dates. Number of Days will automatically be shown. You may either specify your Start date and number of days.
- Specify number of rooms you need.
- You may input number of persons in your group based on the Customer Class specified in ApplicableCustomerClass. Total number of Persons will automatically be shown.
- After your input of data, you may click **Refer** button. Then you may view your Availability of your request.

RESPONSE OF 'REFER AVAILABILITY'

Response message on your Availability request

The screenshot shows a web browser window with the URL <https://slhs.slh-pilotproject.jp/accommodations/availability/jtrec001/BB011>. The page title is 'SLHS Accommodations'. The navigation menu includes 'Accommodations', 'Reserving Persons', 'Reservation Details', and 'Download'. A green banner at the top of the form area displays the message 'Your request is available'. Below this is the 'Refer Availability' form with the following fields: Information Code (jtrec001), Product Code (BB011), Start Date (2014-03-16), End Date (2014-03-17), Days (2), Rooms (1), Adult (18-100) (1), and Total Persons (1). At the bottom of the form are three buttons: 'Refer', 'Reservation', and 'Cancel'. A callout box points to the 'Reservation' button, and another callout box points to the 'Refer' button.

The response message will be either of the following.
In case of available response:

Your request is available

In case of non-available response:

Your request is not available

Refer : You may again request Availability of your product by changing your conditions.

Reservation : You may request your **Reservation** under your specified conditions.
